Work Study Program

*Live, work, and play at a
Buddhist Retreat Center in the
Green Mountains of
Northern Vermont*

Join this residential program dynamically suited for those interested in exploring life, work, and spiritual practice at a Buddhist retreat center in the United States.

We offer room and board, spiritual programs and retreats, and a great opportunity to work with your mind in exchange for 30 hours of service each week.

Work assignments vary from carpentry, kitchen assistance, administrative assignments and housekeeping to cooking, gardening, and maintenance.

Three-month commitment preferred.
Shorter options possible.
Year-round opportunities.
